Dear Shri Srinivasan,

As you may be aware, DigiLocker is one of the key Building Blocks under India Stack comprising of Aadhaar, UPI, DigiLocker and eConsent Framework. DigiLocker is not only a vault for all Government documents that citizens can access but also provides for consent based verification for third parties. More than 12.6 crore people are using DigiLocker services and DigiLocker is hosting more than 560 crore documents issued by 2205 government and private organizations.

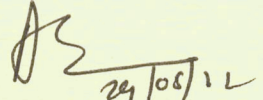

2. In this regard, I wish to inform you that the Department of Administrative Reforms and Public Grievances (DARPG) of the Ministry of Personnel has announced the adoption of DigiLocker to enhance citizen-centric service delivery via letter-number MISC/UNIVERSALDIGITALACCESS/20-21 (e-6862) dated December 28, 2020. (Copy enclosed)

3. I would request you to kindly issue the necessary directions to the AG offices in States & UT's for facilitating e-PPO, e-GPO, Gratuity order, GPF and family pension through DigiLocker for the beneficiaries. If these documents are made available through DigiLocker then the citizens can download and view the copy as and when required.
